

Feature	UOL London Degree at ISBF	Indian Curriculum Degree
Awarding Body	University of London (academically directed by LSE)	Indian University/College
Curriculum	Globally benchmarked, application-based, designed by LSE	Theory-heavy, standardized, limited flexibility
Assessment	100% exams set & evaluated by UOL faculty	Mix of internal assessments & semester exams by college/university
Recognition	Internationally recognized; strong value for global careers & higher studies	Primarily recognized within India; global recognition varies
Learning Approach	Focus on critical thinking, case studies, research, independent learning	More exam-oriented, less emphasis on research/application
Exposure	Global peer network, summer schools, transfer opportunities to LSE/London	Limited global exposure; industry links vary by college
Career Scope	Strong pathways to international careers & postgraduate studies	Well-aligned with Indian job market & competitive exams
Cost	Affordable access to a world-class London degree, nearly 1/4th the cost of studying abroad	Lower cost but limited global value and career reach
